The Year in Pictures

The school year began with the raising of the flag. Soon followed our school project of magazine sales. As usual the year was marked by the ITED Tests. Certificates were awarded to Roger Van Horn, Lois Gangstead, and Danny Buckley for their achievement in the Merit Scholarship Tests.

Before we knew it, the football season was underway, highlighted by the Homecoming parade and game.

Algebra was never like this.

Show and tell.

Boubles, bangles, and bones,

Did you bring your clipping?

Latin Club, which is made up of the Latin I, Latin II, and any old Latin students who wish to commute their membership, had two projects for '61-'62. The first project was open house, to which parents were invited and at which the Latin students' yearly projects were displayed. The second project was a banquet, Roman style, with slaves, no silverware, and everyone reclining on cots.

The spring season was musically introduced by concerts from the band and chorus, under the direction of Mr. Nordman,

The Girls' and Boys' Choruses added to the enjoyment of the program.

Young though we were when we entered these alls, we have found many precious things; friendship, nowledge, and happiness. We worked, we learned, we oved and we lived. We were challenged by our eachers, by our parents; and we shall continue to e challenged as we pass through these doors to begin he new life that lies beyond. We shall remember the nderstanding and guidance given to us by our teachers. Although we may be separated, our memories of Forest Lity High School will linger on forever.
